THE FRED WAITE PLANTSMAN'S SHIELD

The Sandringham Estate Cottage Horticultural Society Trust Flower Show Committee are very sad to announce the death of our Honorary Life Vice President Mr. Fred Waite, LVO RVM. He served as Chairman for 27 years before being made Trustee and Honorary Life President in 1997. His continued support and interest will be a great loss to the flower show. In his memory we are introducing a new competition. Fred was always a keen and expert plantsman and it seemed most appropriate to introduce a new competition to be incorporated in the judging of the Estate Gardens. Anyone entering their garden either in the King George VI Challenge Cup or the Queen Mother Challenge Cup will automatically be entered into the Fred Waite Plantsman's Shield. (Details on Page 4)

"A plantsman is one who loves plants for their own sake and knows how to cherish them. This concept may include a botanist: it certainly includes a host of admirable amateurs who may not know what a chromosome looks like or what taxonomy means, but they know the growing plant, wild or cultivated, first-hand. They are the cream of those in the plant world, a fund of invaluable first-hand information". *David McClintock 1976.*

The Gardening Club Competition

For several years now, the Sandringham Flower Show Committee have been welcoming and inviting local garden clubs to enter a small show garden in the centre of one of the Royal (Competition) Marquees. Their challenge is to produce a small show garden (1.5 metre square) based on a given theme each year. This year the theme is "A Midsummer Night's Dream". The Judges for this competition are Mr. N. Warliker and Mrs. P. Harper.

THE KITCHEN GARDEN GROUP

The launch of the "**The Kitchen Garden Group**" in early 2017 by the The Sandringham Estate Cottage Horticultural Society Trust proved a great success. This is a garden club to which everyone who lives within the radius of 10 miles of Sandringham can join. Following the successful meetings last year, we have planned more outings and talks as well as a repeat of the harvest quiz for this year. We are covering gardening, bakery and flower arranging in the meetings and excursions. The membership fee for the club is £5. Please contact Lorna Gifford on lornagifford@sky.com or tel: 01485 544421 if you wish to join the Kitchen Garden Group.

We have also introduced a monthly Mardle meeting. This title is self-explanatory and is a get together when gardening and plants/seeds and knowledge can be exchanged, quite often over a few drinks. Also a few local gardens were explored during the summer last year. Please contact Tim on Timmi.r@hotmail.co.uk for information if you wish to come along.

Again there will be a competition for the Kitchen Garden Group members on Flower Show Day, who will have received a Geranium plant plug at our February Meeting. The Club member with the best grown plant plugs will receive a prize. The competition will be staged in the Horticultural Trade tent.
